Dear First Selectman Greenberg:

At the regular Board of Education meeting on November 2, 2021, the Scotland Board of Education voted to request 20,000 from our town school account for the purpose of funding the rest of the proposed HVAC/air conditioning project at Scotland Elementary School. We intend of grant funding the remaining balance.

On behalf of the board, I submit this letter to request the Board of Selectmen place this item on the agenda of the December 8, 2021 meeting to vote to approve this request. If you need to have an attendee, please let me know and either myself or the new BOE chair that will be appointed the evening before can attend.

Thank you,

Valerie Bruneau
